

In the Garage

by Andrew, Emiko, Eugene, Grace, Marissa, Scott, and Celeste

Rollers, buckets, cans of paint,
Little bouncy balls,
Garbage cans and plastic bags,
Spare tires, toy cats, and dolls,

Action figures, punching bag,
Candy, leaves, and bikes,
Cat food, dog food, rubber bones,
Paper bags, a broom, a kite,

Reindeer food and baby clothes,
Old stuff that once was mine,
Tools and lights for Halloween,
Newspapers, gunk, and grime,

Game cards, rakes and bubble gum,
Shoes and shelves and mats,
Recycled cans, a chair, a fan,
A mitt, some balls and bats,

Basketballs and hula hoops,
Ant sprayer, table, rakes,
A cash register and Mom's new car,
Lizards, rats, and snakes,

Old boxes, games, and newspapers
Nuts and bolts and hooks,
Unfinished crafts, an old salt map,
A cage and dusty books,

Smelly clothes and gardening tools,
An automatic door,
Our garage is full of things like this,
and Wow! there's so much more.
